MUSCLIFF PARK PÉTANQUE CLUB wins National Lottery funding

Muscliff Park Pétanque is celebrating after being awarded £3,754 of National Lottery funding from Sport England to upgrade the path providing a smooth tarmac surface.

The grant will allow THE CLUB to enable safe access to the playing area for all our members and be inclusive to all.

MPPC is a friendly club offering the opportunity to play pétanque, improve your skills and enjoy a social but competitive sporting challenge. We have 3 qualified coaches, enhanced DBS checked.

CHRIS CHUBB, Youth Development Officer, is thrilled to have been awarded the funding:

"We are delighted to have secured this investment enabling our wheelchair user to access the terrain in all weather conditions and will also make it much safer for our members whose mobility is insecure. Thank you to everyone who plays the National Lottery, we wouldn't be able to do this without you."

National Lottery players raise £30m every week for good causes, funding arts, heritage, sports, voluntary and charity projects around the UK. For more information on good causes in your area go to www.lotterygoodcauses.org.uk

About Sport England

Sport England is a public body and invests up to £300 million National Lottery and government money each year in projects and programmes that help people get active and play sport.

It wants everyone in England, regardless of age, background, or level of ability, to feel able to engage in sport and physical activity. That's why a lot of its work is specifically focused on helping people who do no, or very little, physical activity and groups who are typically less active - like women, disabled people and people on lower incomes.
